Impairment of Assets

At 31 December 2006 the consolidated entity reassessed the carrying amount of its fixed assets for indicators of impairment. A physical stocktake was performed on all plant and equipment in both reporting regions. The results of the physical stocktake led to an external valuer being contracted to assess the carrying amount of some assets, the balance being assessed by management. The external valuation, along with managements assessment resulted in an impairment write-down in several individual assets totalling \$8.22 million. \$2.40m relates to captilised maintenance in prior years due to a change in the application of accounting policy.

Estimates of recoverable amounts for each individual asset was assessed as the higher of the assets fair value less costs to sell or the assets value in use. The assets value in use was determined by discounting easset's estimated future cash flows at an appropriate discount rate

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2006 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Verticon Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report

A review of a helf-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. It also includes reading the other information included with the financial report to determine whether it contains any material inconsistencies with the financial report. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
